Area ~19.9 sq. miles

The 3rd District declined **-7%** in overall violent crime compared with Q2 in 2024, somewhat modest relative to other NOPD Districts in 2025.

However, this district has seen considerable reductions across all categories of major violent crime since Q2 2021 (**-71%**), 2022 (**-75%**), and 2023 (**-63%**).

The **+133%** increase in **homicide** can be largely accounted for by an uptick in hit-and-run/vehicular fatalities in 2025.

Nonfatal shooting remained steady, while both **carjacking** (**-50%**) and **armed robbery** (**-33%**) show consistent decline.
